SUMMARY

- I am passionate about building dynamic and responsive web applications using the MERN stack, striving to deliver innovative solutions with intuitive front-end interfaces and back-end systems.
- My goal is to join a collaborative team where I can contribute to innovative projects, enhance my technical skills, and grow as a developer every day.

EXPERIENCE

Full Stack Developer (Freelancer)

Reveldor Softwares

Dec 2022 – Dec 2023

- Focused on creating a unique website and worked more on developing a full stack website using MERN frame work.
- Collaborated and worked on multiple projects for international clients.
- Got a new connection and a new community

UI/UX designer (Freelancer)

Fiverr

Jun 2021 – Sep 2022

- Became a Level One Seller on Fiverr within a short period.
- Worked for various countries like the US, UAE, and South Africa.
- Implemented over 30 orders with 5-star ratings and good reviews from my clients Helen, Gapele, etc.
